

United States District Court

WESTERN DISTRICT OF MICHIGAN

UNITED STATES OF AMERICA

v.

TOMMY WAYNE McKINNEY

ORDER OF DETENTION PENDING REVOCATION HEARING

Case Number: 1:02-CR-214

In accordance with the Bail Reform Act, 18 U.S.C. § 3142(f), a detention hearing has been held. I conclude that the following facts require the detention of the defendant pending revocation hearing in this case.

Part I - Findings of Fact

- ☐ (1) The defendant is charged with an offense described in 18 U.S.C. § 3142(f)(1) and has been convicted of a (federal offense) (state or local offense that would have been a federal offense if a circumstance giving rise to federal jurisdiction had existed) that is
- ☐ a crime of violence as defined in 18 U.S.C. § 3156(a)(4).
- ☐ an offense for which the maximum sentence is life imprisonment or death.
- ☐ an offense for which the maximum term of imprisonment of ten years or more is prescribed in _____
- ☐ a felony that was committed after the defendant had been convicted of two or more prior federal offenses described in 18 U.S.C. § 3142(f)(1)(A)-(C), or comparable state or local offenses.
- ☐ (2) The offense described in finding (1) was committed while the defendant was on release pending trial for a federal, state or local offense.
- ☐ (3) A period of not more than five years has elapsed since the (date of conviction) (release of the defendant from imprisonment) for the offense described in finding (1).
- ☐ (4) Findings Nos. (1), (2) and (3) establish a rebuttable presumption that no condition or combination of conditions will reasonably assure the safety of (an) other person(s) and the community. I further find that the defendant has not rebutted this presumption.

Alternate Findings (A)

- ☐ (1) There is probable cause to believe that the defendant has committed an offense
- ☐ for which a maximum term of imprisonment of ten years or more is prescribed in _____
- ☐ under 18 U.S.C. § 924(c).
- ☐ (2) The defendant has not rebutted the presumption established by finding 1 that no condition or combination of conditions will reasonably assure the appearance of the defendant as required and the safety of the community.

Alternate Findings (B)

- ☐ (1) There is a serious risk that the defendant will not appear.
- ☒ (2) There is a serious risk that the defendant will endanger the safety of another person or the community.

Petitioner again appears before the court on a supervised release violation, as he has done several times in recent years. In this instance, there was evidence to show that the defendant, who was prohibited from using alcohol, became intoxicated to the point that he had slurred speech, his movements were affected, he urinated in his pants while being transported to the county jail, and became belligerent and argumentative. Further, there is probable cause to believe the defendant while in this condition drove a car (continued on attachment)

Part II - Written Statement of Reasons for Detention

In light of defendant's continued use of illegal substances while on supervised release (cocaine previously, alcohol in this instance), and his failure to stop at an accident in which he was involved while intoxicated, he is unable to establish by clear and convincing evidence that he is not a danger if released back into the community at this time.

Part III - Directions Regarding Detention

The defendant is committed to the custody of the Attorney General or his designated representative for confinement in a corrections facility. The defendant shall be afforded a reasonable opportunity for private consultation with defense counsel. On order of a court of the United States or on request of an attorney for the Government, the person in charge of the corrections facility shall deliver the defendant to the United States marshal for the purpose of an appearance in connection with a court proceeding.

Alternate Findings (B) - (continued)

which was involved in a traffic accident, and that petitioner failed to stop at the scene of that accident.
